

February 27, 2024

To whom it may concern:

Please accept this letter as verification of the completion of the state of California's English Language Authorization (ELA) requirement. Jonathan Moules has completed the Single Subject Agricultural Credential program at California State University, Fresno. Jonathan is eligible to receive his Single Subject Credential from the California CTC, which enables him to provide English language development (ELD) to students and SDAIE instruction within their subject content area.

Credential candidates enrolling in our institution's teacher preparation program since January 1, 2014, earn an ELA program completion that has been revised in scope. An individual issued a Single Subject Credential with the revised ELA may provide ELD to students within the subject authorized by the credential and SDAIE instruction, but is not authorized to provide departmentalized ELD instruction. See Coded Correspondence 14-01 on the California CTC website for more details at https://www.ctc.ca.gov/docs/default-source/commission/coded/2014/1401.pdf?sfvrsn=f0ee35a0_2

Sincerely,

Steven J. Rocca, Ph.D.
Professor and Chair, Agricultural Education
California State University, Fresno
